Subject: Fwd: Invitation - Harris County Resolution in Recognition of Individuals and Entities that have helped in achieving a major milestone
Date: 07/08/2011 02:49 PM

Hi Carlos,

I just wanted to see if you or any of your folks would be attending this event. Please let me know.

Also, we have not received a response from Vince on the email that was sent to him this past Tuesday on the E. 67th draft ROD. Have you heard anything?

Please let me know. We are working really hard to make sure all the projects keep moving forward (San Jac, E. 67th, ESCO, Gulfco, Petro-Chem, Longhorn, etc.).

Thanks,
Melissa

On behalf of my office, we wanted to let you know that Harris County Commissioners Court will be considering a resolution by Commissioner Morman, Precinct 2 regarding:

Request for approval of a resolution recognizing the individuals, organizations, government agencies, and elected officials who have worked to make significant progress in the cleanup of the San Jacinto River waste pits superfund site.

It is your efforts that are being recognized and we would like to invite you all to come and be recognized for your dedication and hard work. We can meet outside the agenda room in the hallway on the 9th floor of the Administration Building on Preston (we have met before in the commissioners court room right next to where the meeting will be for some of the big meetings). I will be there after 9:30 am.

More information is available at <http://www.co.harris.tx.us/agenda/2011/07-12-11ag.pdf>, page 27, item 22(c)(2).

It starts at 10 am and even if the number of items on the agenda, it can go quickly.

Please let me know who will be attending or representing your entities. If you have any questions, please let me know.

Best wishes,
Snehal
